

5thWGKF CHAMPIONSHIP2019“A trophy carries dust, Memories last forever” Mr.HUMBER  
TO NUNO DE OLIVEIRA

President of  
the  
WORLD GOJU

-  
RYU KARATE FEDERATION

Dear Goju friends from all over the world,  
It is  
with great expectation and enthusiasm for our coming 5  
th  
WGKF Championship  
that I write these words.

For those of you who have never visited Malaysia I can assure you that it will be an  
unforgettable experience, since  
our Asian friends usually offer  
us qu  
ite impressive  
events.

I invite you all to come to Kuala Lumpur next September, and bring more and more  
neighbo

u  
r countries and to deepen this unique project, in a championship that join  
s  
all the lines of our style, making this the true absolute championship in Goju

-  
ryu.

At a time of great challenges to our art world

-  
wide, it is increasingly our duty and  
obligation to intransigently defend Master Miyagi's legacy. The art does not exist  
wi  
thout its styles, denying it is betraying the legacy of generations and making the art  
one aseptic entity whose standards we do not know.

I think no other Federation is completely open to others as ours and that gives us  
legitim  
acy and a role no one can d  
eny

.  
The art born in Okinawa has nothing to do with politics but, unhappily, it is increasingly  
being pushed into these swamps. It is our task to prevent Goju

-  
ryu of being dragged  
into these murky waters.  
I have absolute confidence in

you, my Goju friends all over the  
world to help us  
surpass these  
troubled waters and to make our beloved Goju

-  
ryu great, which is just  
what we want, leaving politics and murky wa  
ters to others interested in that  
issue.

I hope to see you soon and strong in  
Kuala Lumpur, for an unforgettable experience  
and superb Championship.

Yours in Goju
