

Dear Shito Ryu Karate friends, It will be the fifth time since the creation of European Shito Ryu Karate Federation that we celebrate our sporting activities at the Championships. The

first four Championships were held in Slovakia, in the country which initiated the

creation of ESHRKF. It is an honor for us that the organization of the fifth

Championships is again in Slovakia.

Last Championships were marked by a spirit of quality sporting performance

and number of participants, especially in the youth categories. We expect that our efforts will achieve higher quality at our competitions.

With all our heart We wish all the participants and organizers lot of sporting success and happiness.

Thank you for coming to Nové Zámky.
